

Which scenario: 1929 – 1932 or 1966 to 1982?

Have we completed acceptance above
Primary Buy Zone? Jury out at the moment.

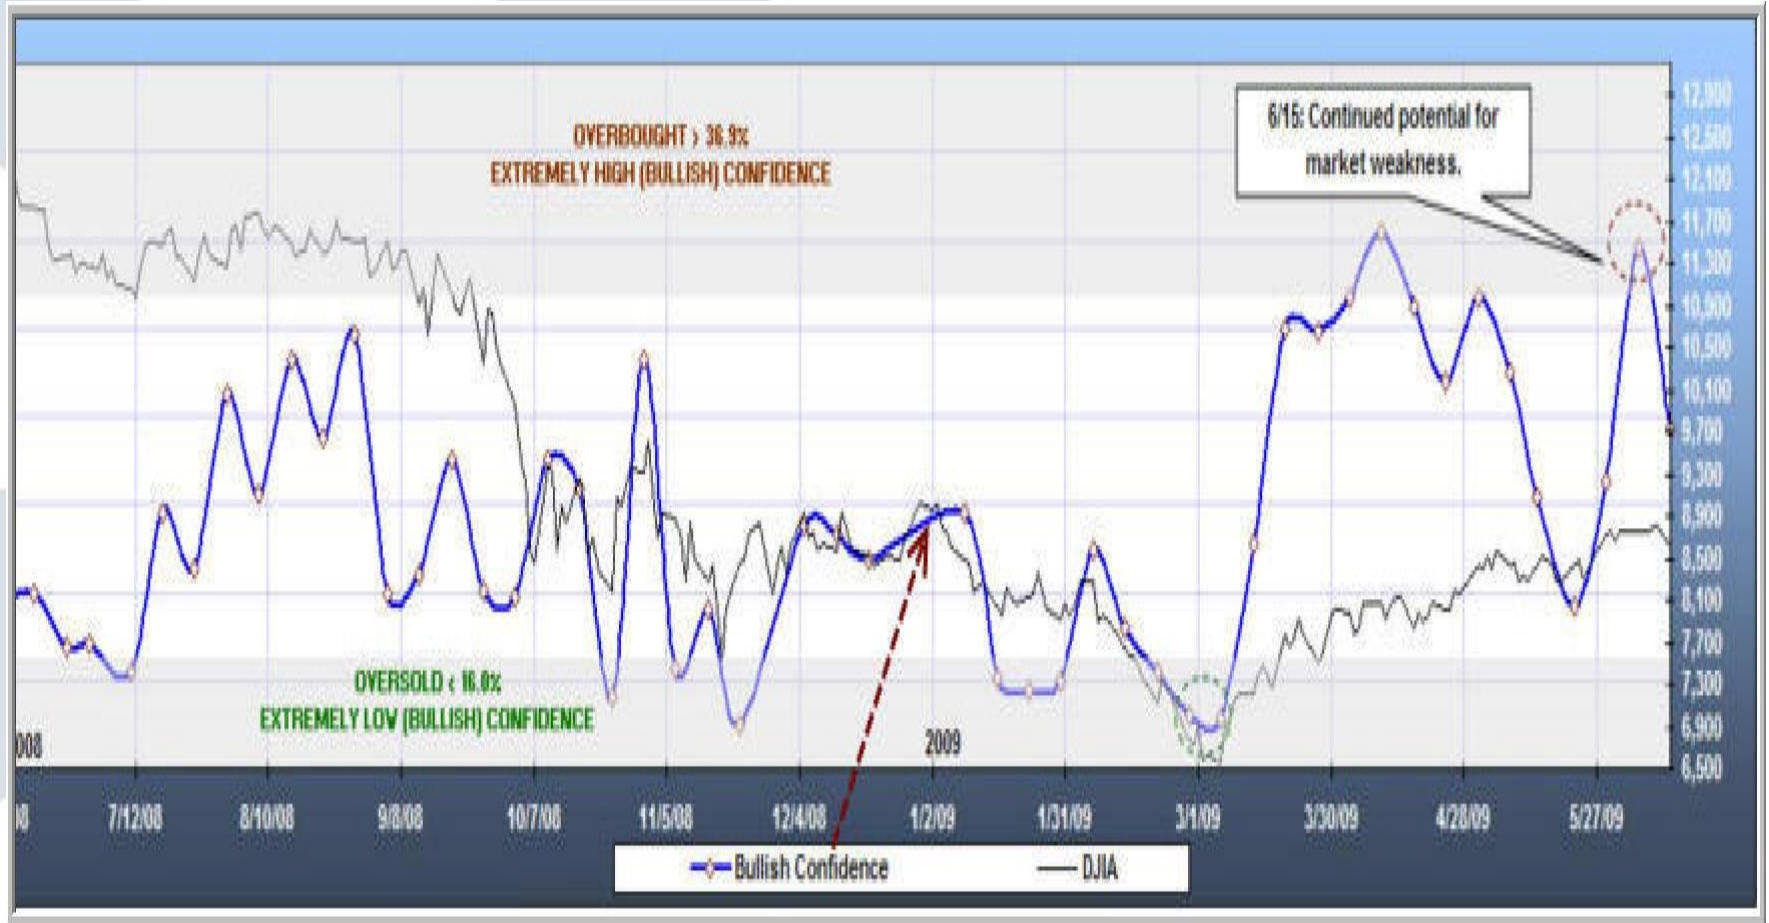

13w showing Time & Price Window at corrective highs

June 11 951.70 high? If so Friday should mark start of downmove. Need to see breach of 903.78 to confirm. Acceptance above Friday's high, reduces probability that June 11 marks the corrective high.

Sentiment for June 11 high. In Overbought territory
